

Vol. 17, Issue 11, November 2010

Office News: October was a just slightly below average month for phone volume and office traffic. Contributions, however, were up about 25% from last month, really helping our bottom line. The office is still looking for one or two volunteers to help run the office in an emergency. Please consider training to be of service. Also, please contact us if you are interested in being a telephone hot line volunteer and to find out what qualifications and preparations are necessary.

Alateen News: A New Alateen meeting has started in Bethany, 6PM Mondays at 6910 NW 41st St. Kim A, Alateen coordinator, needs volunteers to become sponsors to start additional Alateen groups, please call the office at 767-9071 for more information on qualification and applications and for Kim's contact number.

Meeting Changes: The Big Book Clubhouse in Shawnee has moved to 1111 N. Kickapoo. Please remind member to notify the office whenever a meeting changes locations, times or dates. We strive to have an accurate schedule on the website and at the office in order to assure that new or out of town members have access to the meetings they need.

Please Announce: If you try to attend a meeting and no one is at the location and time listed in your current schedule, **the AIS Office wants to know about it.** Also, if you are willing to be a contact person for a meeting that you regularly attend, please let the office know, so that if we have an inquiry, we have a contact for your meeting. Also you can contact the office to ask who the contact person is for your regular meeting, as sometimes members move away and a new contact isn't changed to the office. It is a simple way to be of service to our fellowship.
